From the Headteacher

What an exciting week – Busy Bees have continued their learning all about explorers – Christopher Columbus, Neil Armstrong and Scott of the Antarctic. They have also been learning about fractions and have been practicing using verbs and adjectives in their writing. Ladybirds have been reading, writing and role playing The Gruffalo. They have looked at different animal homes and even built their dens outside.

We are very excited about some possible changes to our lunch providers – we're hoping to have hot lunches cooked in our hall kitchen for the children to ensure that they will continue to receive nutritionally balanced, good quality, well cooked meals. We will let you know what is happening as soon as we receive confirmation about the contract arrangements.

This is a reminder that the school disabled parking bay is directly outside the children's gate alongside the hedge. It is required as we have two parents who are blue badge holders who need to be able to park close to the gates. Even if you are running late please be considerate and do not park in that bay. If necessary we will have to monitor use of the bay. Thank you for your cooperation.
