Workshop – Busy
Bees only (more
information to
follow)**

Vacancies

We are looking for two full time support assistants to work with two children joining us in September. You will find the advert on the Bucks CC website.

<http://jobs.buckscc.gov.uk/job-search/>

It was wonderful to see so many of you at the sharing assembly this morning. As you heard from the children, they have had a very busy term full of new and exciting learning opportunities.

This afternoon the Ladybirds have been enjoying their Teddy Bears' Picnic in the garden. They have played hide and seek with their bears and have shared their homemade biscuits and packs of raisins with each other. A well deserved treat at the end of term!

The Busy Bees decided that they would like to walk through the woods, down to St Nicholas Church to put up their new display and to add some blossom shapes for people to write prayers for the prayer tree.

The Busy Bees have been invited to take part in the Garsington Opera Project again this year. This is such an amazing project to be part of and our children gain so much from participating in the project. We will send out more information about this after half term.

As this is my first newsletter as Mrs Long (something the children have been better at remembering than I have!) I would like to thank you all for your kind words and generous gifts, we had a wonderful and very memorable day!

I hope you all have a lovely holiday!

Louise Long
