Sports Coaching - £1055

We have used funding to employ a specialist qualified Sports Coach who deliver ½ day of curriculum PE to all children. The funding has also be used to employ the services of First Soccer to teach our staff and children 'Futsal' for 1 hour per week. The coaches work alongside teachers in lessons to increase their subject knowledge and confidence in PE. This will continue over the course of the year.

The coaches are employed from the All Active Kids coaching agency – a commercial provider and First Soccer – a commercial provider. We rate the quality of the coaching sessions delivered as good with outstanding features.

IMPACT:

* More girls are enjoying playing football due to the Futsal sessions.

* Staff confidence is continuing to develop through team teaching alongside the coach

Quality of Physical Education lessons has improved as teachers are confidently using a greater range of skills and techniques.
