ANTI-BULLYING POLICY

At Ibstone Church of England Primary School, the academic, emotional and spiritual well-being of the children are at the heart of all that we do; where every child is valued. We are a safe, nurturing and welcoming school in a small village community. We aim to provide all our children with the learning opportunities to flourish, be healthy, grow in resilience and realise their full potential; being fully equipped and prepared for a successful future. Inspired by Christian faith and rooted in the teachings, values and spirituality of the Church of England we embrace our core values of love, courage, perseverance, community and respect where all individuals learn to value themselves and others.

We are committed to setting high standards of achievement within a caring and nurturing learning environment. We aim to provide opportunities for children to develop a curiosity of learning, a thirst for knowledge through play, and an exploration of the world around them. This policy is written to reflect and support our School's Christian Vision and Values.

Our Christian Vision:

Nurture, Inspire, Grow

Our vision is to nurture our community enabling everyone to grow through our Christian values. We inspire our children to be resilient, confident and courageous whilst developing a lasting love of learning.

'Whatever I have, wherever I am, I can make it through anything in the One who makes me who I am.' Philippians 4:13

Our associated Christian values:

Love, Courage, Respect, Community and Perseverance

Each value is linked to various Bible stories.

2. Reporting bullying

If a pupil feels they are being bullied they should report this to any member of staff. Incidents of bullying should be reported by telling an adult in school.

Reporting- roles and responsibilities

- All staff have a duty to challenge bullying and to report incidents of bullying to senior staff.
- Staff should report any incidents via CPOMS
- Staff should be vigilant to signs of bullying and play an active role in the school's efforts to prevent bullying.
- The Headteacher has overall responsibility for ensuring that the anti-bullying policy is followed by all members of staff and that the school upholds its duty to promote the safety and well-being of all pupils.
- In addition, the Headteacher is responsible for maintaining our happy, nurturing school environment in which children are nurtured, able to grow and are inspired.
- The Headteacher can be contacted via the school office.
- Parents/carers also have a responsibility to look out for signs of bullying (e.g. distress, feigning illness, lack of concentration).

- Parents/carers can contact the school via the office.
- Pupils should not take part in any kind of bullying and should watch out for signs of bullying among their peers.

3. Responding to bullying

When bullying has been reported, the following actions will be taken:

1. Staff will record the bullying on an incident reporting form and also record the incident centrally on CPOMS.
2. Designated school staff will monitor incident reporting forms and information recorded on CPOMS, analysing the results.
3. Designated school staff will produce termly reports summarising the information which the headteacher will report to the governing body
4. Support will be offered to the target of the bullying from the class teacher or through the use of restorative justice or other programmes.
5. Staff will proactively respond to the bully who may require support from the class teacher or through the use of restorative justice or other programmes.
6. Staff will assess whether parents and carers need to be involved.
7. Staff will assess whether any other authorities (such as police or local authority) need to be involved, particularly when actions take place outside of school.

4. Bullying outside of school

Bullying is unacceptable and will not be tolerated, whether it takes place inside or outside of school. Bullying can take place on the way to and from school, before or after school hours, at the weekends or during school holidays, or in the wider community. The nature of cyber bullying in particular means that it can impact on pupils' wellbeing beyond the school day. Staff, parents and carers, and pupils must be vigilant to bullying outside of school and report and respond according to their responsibilities outlined in this policy.

5. Derogatory language

Derogatory or offensive language is not acceptable and will not be tolerated. This type of language can take any of the forms of bullying listed in our definition of bullying. It will be challenged by staff and recorded and monitored on CPOMS and follow up actions and sanctions, if appropriate, will be taken for pupils and staff found using any such language. Staff are also encouraged to record the casual use of derogatory language using informal mechanisms such as a classroom log.

6. Prejudice based incidents

A prejudice based incident is a one-off incident of unkind or hurtful behaviour that is motivated by a prejudice or negative attitudes, beliefs or views towards a protected characteristic or minority group. It can be targeted towards an individual or group of people and have a significant impact on those targeted. All prejudice based incidents are taken seriously and recorded and monitored in school, with the headteacher regularly reporting incidents to the governing body. This not only ensures that all incidents are dealt with accordingly, but also helps to prevent bullying as it enables targeted anti-bullying interventions.

7. School strategies to prevent and tackle bullying

We use a range of measures to prevent and tackle bullying including:

- Our school vision is at the heart of everything we do and ensures that all members of the school community are revered and respected as members of a community where all are known and loved by God.
- We use a pupil-friendly anti-bullying policy to ensure that all pupils understand the policy and know how to report bullying.
- The PSHE programme of study includes opportunities for pupils to understand about different types of bullying and what they can do to respond and prevent bullying. It also includes opportunities for pupils to learn to value themselves, value others and appreciate and respect difference.
- Collective worship explores the importance of inclusivity, dignity and respect as well as other themes that play a part in challenging bullying.
- Collective worship is also central in teaching children how to contribute towards keeping our community happy and ensuring we live and learn in a nurturing environment.
- Through a variety of planned activities and time across the curriculum pupils are given the opportunity to gain self-confidence and develop strategies to speak up for themselves and express their own thoughts and opinions.
- Circle time provides regular opportunities to discuss issues that may arise in class and for teachers to target specific interventions.
- Stereotypes are challenged by staff and pupils across the school.
- Restorative justice systems provide support to targets of bullying and those who show bullying behaviour
- Pupils are continually involved in developing school-wide anti-bullying initiatives through consultation with groups through our School Ambassadors and Family Time.
- Working with parents and carers, and in partnership with community organisations to tackle bullying where appropriate.

8. Training

The headteacher is responsible for ensuring that all school staff (including teaching assistants, chaplains, church school workers and midday supervisors) receive regular training on all aspects of the anti-bullying policy.

9. Monitoring the policy

The headteacher is responsible for monitoring the policy on a day-to-day basis. The headteacher is responsible for monitoring and analysing the recorded data on bullying. Any trends should be noted and reported.

10. Evaluating and reviewing

The headteacher is responsible for reporting to the governing body (and the local authority where applicable) on how the policy is being enforced and upheld, via the termly report. The governors are in turn responsible for evaluating the effectiveness of the policy via the termly report and by in-school monitoring such as learning walks and focus groups with pupils. If further improvements are required the school policies and anti-bullying strategies should be reviewed.

The policy is reviewed regularly and is published on the school website. Hard copies are available on request from the school office.
